

Betty Leister was former GOCC nursing educator

Betty L. Leister, 82, of Sturgis, passed away in January at the Fairview Nursing Home, Centreville. Betty brought her knowledge of nursing to hundreds of Glen Oaks students. She attended St. Luke's School of Nursing in Chicago, graduating in 1950. She earned her registered nurse degree and worked as a nurse in the Public Health Department at Sturgis Hospital, and in the Doctor's Office, before teaching at Glen Oaks. For the last four years she lived at Thurston Woods Villas, enjoying the friendship and community. Services were held Sunday, Jan. 30. Memorials may be directed to the GOCC Foundation Nursing Scholarships.
