

Glen Oaks Community College Foundation Awards \$71,000 in Scholarship for 2010 - 2011

The GOCC Foundation is proud to announce the 2010-11 Scholarship Award Recipients. These scholarships serve to honor and substantially reward chosen students for their achievements. This year the awarding amount is approximately \$46,000 to the 56 students selected to receive scholarship. Additionally the athletic program has received a grant in the amount of \$25,000 to award to talented student athletes participating in the 6 collegiate programs available.

Each year in April students are selected to receive scholarship dollars based on the information on their scholarship application form. The selection committee will review applicant information and award accordingly based on the required criteria of each scholarship.

Through philanthropy efforts of the Foundation, students of Glen Oaks Community College benefit from learning and enrichment opportunities that will in turn improve their quality of life and standard of living. The generous gifts from donors make it possible for many students to attend college and reach their career goals. Their partnership with the Foundation has a lasting effect for these students and we certainly appreciate their kindness and wish to extend our sincere Thank You!
