

Michigan Department of Education Office of Professional Preparation Services

IACET

Training programs and/or conferences sponsored by the International Association for Continuing Education and Training (IACET) may be eligible for SB-CEUs via a collaborative agreement between the Michigan Department of Education, Office of Professional Preparation Services, and IACET.

Participant

Upon completion of the IACET Authorized Provider sponsored training and **no more than 30 days** immediately following the end date of the training, the participant must submit to the SB-CEU coordinator course information and the transcript/certificate of completion form(s) issued by the IACET Authorized Provider which confers the awarding of the IACET CEUs.

SB-CEU Sponsor

Upon receipt of the required documentation, the SB-CEU coordinator will award the SB-CEUs and provide the participant with SB-CEU documentation. Transcripts issued by the SB-CEU Sponsors will include credits earned for completion of training/professional development programs sponsored by IACET.

The number of SB-CEUs shall not be less than the minimum or exceed the maximum allowed for program approval as established by the SB-CEU criteria/guidelines or approval of the superintendent of public instruction.

IACET Authorized Providers

IACET Authorized Providers are listed on the IACET website: <http://www.iacet.org> Once at the site, click on **Find Authorized Providers**.
