*Glen Oaks Community College offers continuing education classes without leaving home!*

Learn Online at your pace, your time...

Do you live far from a campus?

Do you have a full time job, kids, or a crazy schedule?

Online learning could be the answer to gaining new skills or developing an interest.

**Online courses take advantage of today's Internet technology, allowing you to take courses with experienced instructors anytime, anywhere.**

Click here: [www.ed2go.com/gocc](http://www.ed2go.com/gocc) to learn more.

**What You Will Need:** Internet access, e-mail, and working knowledge of the Internet.

**What's Offered:** Over 300 courses are available on a wide range of business and enrichment topics.

Go to the [www.ed2go.com/gocc](http://www.ed2go.com/gocc) website for a complete listing of all the online courses available.

An online course demo is available at this website.

**Cost:** Most courses cost only \$120 per course.

**When Courses Begin:** Six-week online courses begin every month on the third Wednesday.
