

# Glen Oaks Community College Foundation Scholarships presented for 2009-2010

The Glen Oaks Community College Foundation is proud to announce the 2009-10 Scholarship Award Recipients. These scholarships serve to honor and substantially reward chosen students for their achievements. This year the awarding amount is approximately \$62,000 to the 66 students selected to receive scholarship. Through philanthropy efforts of the Foundation, the constituents of Glen Oaks Community College benefit from learning and enrichment opportunities that will in turn improve their quality of life and standard of living.

The generous gifts from donors make it possible for many students to attend college and reach their career goals. Their partnership with the Foundation has a lasting effect for these students and we certainly appreciate their kindness. Wish to extend our sincere Thank You!
