## Area family will have a Merry Christmas thanks to GOCC Medical Assistant Club

**CENTREVILLE---**The Medical Assistant Club at Glen Oaks Community College turned green plants into green money to help a local family this Christmas. The club raised \$400 to be donated to a GOCC Adopt-A-Family with a poinsettia sale on campus that resulted in the sale of 114 plants. The flowers will be delivered at the college on Tuesday, December 1.

Shown at left are Special Populations Advisor Karen Webber receiving the donation from Chairperson of the Medical Assistant Program Brenda Luczek and MA Club Chairperson Nora Marciniak. With them are MA Club members (row one) Jessica Meister, Jessica Wilder, Kayla Oduya and (back row) Cassandra Tuesley, Pamela Moreno, Kathy Becze and Randi Creager. Those not pictured are Shannon Tuttle, Leticia Rubio and Club Secretary Brandi Fisher. The club members helped select the family in need this year. The medical assistant students will shop for and wrap gifts and then deliver the gifts to the family.
