

GLEN OAKS COMMUNITY COLLEGE NURSING DEPARTMENT INFORMATION SHEET

THE NEXT LEVEL I NURSING CLASS STARTS IN SPRING OF 2012 AND THE NURSING APPLICATION IS DUE ON DECEMBER 1, 2011 ALONG WITH THE TEAS TEST PAYMENT

The Glen Oaks Community College Laddered Associate of Science in Nursing Degree Program begins yearly. The laddered program consists of Level I (practical nurse) and Level II (registered nurse). In addition to meeting the general requirements of the College for admission, there are requirements pertinent to each level of the program. **If you are planning to pursue nursing, you must meet with an academic advisor prior to starting at Glen Oaks.**

The curriculum has been designed to accommodate beginning nursing students at Level I. Graduates of Level I may progress directly to Level II if requirements are met. It offers those students, as well as current Licensed Practical Nurses, the opportunity to continue their education at Level II to meet the requirements for R.N. licensure. Glen Oaks Community College admits to both levels concurrently. Qualified applicants may enter either of these levels as a means for meeting their educational goal. Completion of each level requires three semesters, with the first semester being a shortened 7 ½ week semester in Spring of each year.

IF YOU ARE TRANSFERRING IN FROM ANOTHER COLLEGE, PLEASE HAVE YOUR TRANSCRIPTS SENT OFFICIALLY-HIGH SCHOOL TOO! YOU MAY BRING STUDENT COPIES TO YOUR INTERVIEW WITH THE DIRECTOR OF NURSING.

There are basic prerequisite courses, which must be completed with a grade of 2.5 (C+) for each class. You must also complete the Accuplacer evaluation (given free at Glen Oaks) if you wish to transfer in courses 10 years or older, you must take Accuplacer evaluation and test into college level English and Math.

These courses may be completed in high school (2 semesters-or 1 credit) or in college (1 semester). They are as follows:

Prerequisite courses: take algebra prior to taking chemistry!!!

- passing grade of 2.5 (C+) in high school algebra (2 semesters = equivalent 1 credit) or its equivalent; for example NSM 100 Introductory Algebra at Glen Oaks Community College **AND** placement into NSM 104 Intermediate Algebra or higher on Accuplacer evaluation
- passing grade of 2.5 (C+) in high school chemistry (2 semesters = equivalent 1 credit) taken within the last 5 years or its equivalent; for example NSC 130 Chemistry at Glen Oaks Community College
- passing grade of 2.5 (C+) in high school biology course (2 semesters = equivalent 1 credit) or its equivalent; for example NSB 120 Biology at Glen Oaks Community College
- NSA 210 Principles of Anatomy & Physiology I,
- NSA 211 Anatomy and Physiology II
- SSP 210 Human Growth & Development
- COM 121 English Composition
- NSB 121 General Biology I
- ALH 218 Medical Terminology

Acceptance into Level I of the nursing program is based upon: #1- successful completion of the pre-requisites for the program (listed above); #2-being ranked into the top 40 (there are a limited number of seats set by the Michigan Board of Nursing (at this time: LPN-40 seats)). Ranking is based on the numerical total of the score (percentage) on the pre-entrance test and the GPA of the prerequisite courses for Level I. The pre-admission exam (TEAS-Test of Essential Academic Skills) for Level I costs \$50*. The test is comprised of four sections: English, Reading, Mathematics and Science and will take about four hours to complete. The GOCC bookstore has a study manual for the test, or go to **www.atitesting.com**. #3-All health, including medical clearance, background check, drug screening requirements, etc. must be met by due dates established. (see enclosed checklist).

Entrance ranking score formula consists of the following: TEAS test score (percentage) = 75%
GPA of Prerequisites = 25%

Please notify the Nursing Office if you have previously taken the TEAS test.

GLEN OAKS COMMUNITY COLLEGE NURSING DEPARTMENT INFORMATION SHEET

Info Sheet (cont.) 2

THE NEXT LEVEL II NURSING CLASS STARTS IN SPRING 2012. DEADLINE FOR APPLICATION IS 12/1/11.

Acceptance into Level II of the nursing program is based upon: #1-successful completion of the pre-requisites for the Level II portion of the program (see Level II admission criteria) #2-being ranked into the top 30 (there are a limited number of seats set by the Michigan Board of Nursing (at this time: RN-30 seats)). For Level II applicants, the ranking is based on the graduating GPA, plus prerequisites (25%) from the practical nurse program and the score on the Level II (NLN PN to RN ACE I) pre-admission exam. There is a requirement of 2 reference letters from your nursing clinical instructor if you are a current GOCC student,* or 1 letter from your DON and 1 from your nurse supervisor at your place of employment that will also be used to determine your entry into Level II. This exam costs \$77* and **the test date will be March 23, 2012.** This test focuses on Nursing Care and a minimum decision score of 75 must be achieved. #3-**All health, including medical clearance, background check and drug screening requirements** must be met by due dates established. (see enclosed checklist).

After acceptance into either level of the program, documentation of having met health guidelines must be submitted and remain current for the duration of the program.

Applicants who have met the prerequisites in high school or who are taking the prerequisite courses at Glen Oaks may utilize the time prior to admission to take non-nursing courses, which are part of the nursing curriculum. They are identified on the enclosed course sequence sheets for each level of the program. Taking courses prior to admission **will not assure acceptance** to the Nursing Program. However, if accepted, taking courses in advance will reduce the number of credit hours the student will take each semester once the program begins. A grade of 2.5 (C+) must be achieved in each prerequisite course.

If your career goal involves eventually completing a BSN degree, you are advised to check the curriculum at the university you plan to attend. While waiting for class at Glen Oaks to begin, you may want to take some non-nursing freshman and sophomore classes required in the university's curriculum that will eventually transfer to that university.

Students in the nursing program must earn a grade of 2.5(C+) or higher each semester in each required course in the nursing curriculum, and maintain an overall GPA of 2.5 (C+). Students who receive final grades of less than 2.5 (C+) in a required course will not be allowed to progress until they have made up their deficiencies. Nursing students must meet GOCC requirements for graduation. A grade of 2.5 (C+) must be achieved in each prerequisite course.

Contact the Nursing Office at (269) 467-9945, extension 333 if you have any questions. Please keep informed by checking glenoaks.edu regularly (go to the nursing webpage). You may also stop by the Nursing Office in the Student Services office complex at any time or phone the Nursing Office at (269) 467-9945, extension 333 or toll free 888-994-7818 to make arrangements to meet with the Nursing Director. An interview with the director is required.

***Please Note:** nursing students are responsible for their own expenses including, but not restricted to, travel, health care, and emergency treatment. **Nursing students may be assigned to evening (3 - 11 p.m.) and night (11 p.m. – 7 a.m.) clinical rotations, as it may not be possible for all students to be assigned to days (7 a.m. – 3 p.m.). Travel is required to clinical sites in Indiana as well as various cities in Michigan.**

****IMPORTANT:** ***Costs of pre-entrance tests are subject to change at any time.** Financial aid and scholarships are available if you qualify for the nursing program. For more information please contact the Financial Aid Office at (269) 467-9945, extension 260.

Entrance ranking score formula for Level II consists of the following:

NLN Ace I test score = 75%

GPA of Prerequisites for Level II & PN program = 25%

Currently enrolled GOCC students-GPA from first two semesters of Level I – 25%

GLEN OAKS COMMUNITY COLLEGE NURSING DEPARTMENT

LEVEL II PRE-ADMISSION EXAMINATION
(Nursing Ace-1 PN-RN Foundations of Nursing Entrance Test)

As a part of the admission process, all applicants to the Glen Oaks Community College Laddered Associate Degree Nursing Program are required to take a Pre-Admission exam. A minimum decision score of 75 must be achieved to be considered for admission. The test is offered **ONLY** on Friday, March 23, 2012 in two sessions, 8am to noon and 1-5pm. There will be signup sheets posted outside of the nursing offices on the window, on March 1, 2012. Call if you are not on campus taking classes.

The fee for the exam is currently \$77.00 but is subject to change. Please complete the form below and present it to the cashier in the bookstore. The bookstore is open from 8 a.m. until 4 p.m., Monday, Thursday and Friday, and 8 a.m. to 6:30 p.m. on Tuesday and Wednesday.

The completed form will be forwarded to the Nursing office. **The fee must be paid and this form must be received by February 17, 2012, however the bookstore will not take payments before February 1, 2012.**

If you have any questions, please feel free to call toll free 888-994-7818 and speak to the Interim Director of Nursing.

- *NOTE: **Keep the cash register receipt (Ace I Test).**
- Bring the receipt with you on the scheduled exam date.**
- Bring two (2) sharpened No. 2 pencils with erasers.**
- Bring one black or blue ink ballpoint pen.**

DATE

GLEN OAKS COMMUNITY COLLEGE NURSING DEPARTMENT-ENTRY CHECKLIST LEVEL II PROGRAM

_____ GOCC application for Admission, high school & college transcripts (**official-transcripts must come in the mail from your school/college to Glen Oaks and be here before you take test**).

_____ Completed Nursing application (**received**) no later than December 1st of the year preceding entry into program).

_____ Receipt for payment of **NLN PN TO RN ACE I PREDICTOR ADMISSION TEST** (dated no later than December 1st of the year preceding entry into program).

_____ Criminal Record Background Check & Drug Screening. **Information provided to you by the nursing office after admission to program.**

_____ Up to date American Heart Association CPR card for the Healthcare provider (after admission to the program). **ONLY AMERICAN HEART ASSOCIATION MEETS REQUIREMENT. (A current copy must be in your file throughout the program).**

_____ Completed health (physical) form. Must be completed by the attending physician, PA or Nurse Practitioner and all information on front of form must be complete, including emergency contact information. **Information provided to you by the nursing office after admission to the program.**

_____ Proof of Hepatitis B immunity, Rubella Immunity, Chicken Pox Immunity, Yearly TB test, TDP within 10 years, Influenza vaccination(s) completed in season. Copies of all immunizations must be given to nursing office immediately upon notification of acceptance into the program. **You will not be allowed to start the program unless these things are complete in your nursing file.**

CURRENT LEVEL I STUDENTS (GOCC STUDENTS IN 2ND SEMESTER OF LEVEL I PROGRAM) MUST ALSO SUBMIT:

_____ Nursing application and letter of intent (**SEE NURSING HANDBOOK**) to advance to Level II.

_____ References: Submit 2 faculty and/or employer clinical references dealing with the profession.

_____ Copy of current nursing license when received. **You MUST sit for the NCLEX and pass the licensing test within the semester following graduation from Level I.**

***ADVANCED STANDING NURSES (LPN)**

_____ Submit a typed letter to the Interim Director of Nursing indicating interest in entrance to Associate Degree Nursing program. Submit application to program by December 1st and a copy of current nursing license.

_____ Submit Letter from your employer indicating you have a minimum of 540 hours of employment as an LPN within the last year and a half.

_____ References: Submit 2 employer clinical references dealing with the profession and/or faculty reference.

***Check the Level II Admission Criteria carefully and make sure you meet with the nursing director.**

July 10

GLEN OAKS COMMUNITY COLLEGE NURSING DEPARTMENT

ADMISSION CRITERIA FOR LEVEL II-(RN) REGISTERED NURSE

CURRENT LEVEL I STUDENT (GOCC STUDENTS IN 2ND SEMESTER OF LEVEL I):

1. Submit a **formal typed letter** indicating a desire to advance to Level II **after successful completion** of the **second semester of Level I**, to the Director of Nursing.
2. Submit a Nursing Application to the Nursing office **after successful completion** of the **second semester of Level I**.
3. Take the NLN ACE-1 PN to RN exam for Level II and achieve the required minimum score of 75.
4. **Take and pass the NCLEX-PN examination upon completion of Level I and submit a copy of license when received. This must be completed in the 1st semester of Level II.**
5. Submit a transcript from other institutions of higher education you may have attended during the past year.
6. Submit two references-from nursing faculty clinical instructors (1 full time & 1 part time instructor) dealing with your clinical performance. These references in addition to your ranking score will determine your entrance into the program.
7. **Negative Drug+ Alcohol screen will be required. Must fill out the Level II verification form also.**
8. Applicants are ranked to determine selection. Enrollment for Level II is limited to 30 seats. Applicants are ranked for admission. Entrance ranking score formula consists of GPA from first two semesters = 25%, NLN ACE I test score = 75%. When equally ranked applicants exceed available seats, the following criteria in descending order will be used to determine admission:
 - a) In-district applicants
 - b) Date nursing application was received
 - c) Date Glen Oaks admission application was received
9. Acceptance into Level II is conditional until documentation supports you have met the following health guidelines:
 - The pass of a physical examination
 - A record of current immunizations per immunization policy
 - A current CPR for the health care provider card from the American Heart Association. Both the CPR card and the immunizations must be kept current for the duration of the program. **All of the above must be submitted no less than 6 weeks prior to entering the program.**

GLEN OAKS COMMUNITY COLLEGE NURSING DEPARTMENT

Level II Admission Criteria (cont.)

CURRENT LICENSED PRACTICAL NURSES (ADVANCED STANDING NURSING STUDENTS):

1. Submit a formal typed letter indicating a desire for admission to Level II with a copy of a current LPN license to Director of Nursing.
2. Submit a nursing application to the Nursing office by the deadline of December 1st or nearest business day prior to December 1st.
3. Submit 2 references - 1 from your DON and 1 from your nurse supervisor. Note: These references in addition to your ranking score will determine your entrance into the program.
4. Have employer send confirmation of 540 hours of employment as an LPN within the last year (acute care, medical/surgical clinical experience is strongly recommended. Individuals who do not meet the employment requirements for admission will be evaluated by Director of Nursing and the faculty.
5. GPA for all prerequisite courses must be a 2.5 or higher.
6. High School Level Chemistry (2 semesters, or 1 credit) 2.5 GPA or higher, within 5 years
7. Nutrition course equivalent to our ALH 103.
8. Have completed a nursing pharmacology course with a 2.5 or 80% or higher. Graduates from a program with integrated pharmacology course may take or challenge NUR 109, NUR 119 and NUR 129 by passing a comprehensive examination with a minimum score of 80%. This test can be taken one time. The student is responsible for the cost of the exam. Tuition for class must be paid if the student is to receive GOCC credit toward a degree if the challenge exam is passed.
9. Meet prerequisites for non-nursing courses required for Level II prior to semester in which that course is required in nursing curriculum sequence, i.e. **Biology NSB 121 is a prerequisite to NSB 230 Microbiology, and NSA 210 Anatomy & Physiology I & NSA 211 Anatomy & Physiology II are prerequisites to NSA 212 Pathophysiology. NSA 212 Pathophysiology is required before entrance into Level II.**
10. Complete SSP 210 Human Growth and Development or it's equivalent, if not part of your original LPN program.
11. Any Criminal Felony or Misdemeanor charges on a public record must be reported to the DON with submission of your nursing application. Acceptance into Level II is conditional on a negative criminal background investigation and a negative drug plus alcohol screen.
12. Entrance ranking formula score consists of GPA from prerequisites for Level II & PN program = 25%, NLN Ace I test score = 75% averaged together to make 100%.

**GLEN OAKS COMMUNITY COLLEGE
LADDERED ASSOCIATE DEGREE NURSING PROGRAM
LEVEL II
EXPENSES**

The following are the APPROXIMATE costs of a student enrolling in the Nursing Program at Glen Oaks for academic year 2011 - 2012:

Tuition - For in-district students \$85.00 per contact hour*

For **service area students \$128.00 per contact hour*

For ***out-district students \$160.00 per contact hour*

General Fess - \$18.00 per contact hour*- Approximately \$1125.00

Student Activity - Fee \$12.00 per semester (full time)

Individual Course Fees - Approximately \$549.00

Insurance - \$9.00 per semester liability (malpractice) coverage

Physical examination, American Heart Association CPR for the Health Care Provider card and immunizations are required prior to beginning nursing clinical courses.

Student uniforms (2): white shoes, hose, watch with sweep second hand, small note pad. Cost varies because of student preference. White sweater optional, but if a student wears a sweater, it must be white.

Clinical ID Badge: \$3.25 (one time fee) - Level II students may use the badge from Level I

Books - approximately \$500.00 (required texts per semester)

School graduation pin - \$46.00 - \$91.00 (Cost varies) - Optional

State Board Application fee - \$54.00 (Michigan). New in 2008-Michigan State now requires fingerprints before you can sit for your test at a cost of \$62.75 (done through the state, NOT Glen Oaks).

ETS (NCLEX-RN) Examination - \$200.00

Transportation costs. This depends on the students' needs.

*A contact hour is equivalent to the time the instructor spends in the classroom or at the clinical site per week.

**Service area students are: Cass County residents in the following school districts; Three Rivers, Constantine & White Pigeon. Branch County residents, LaGrange IN County residents, Elkhart County IN residents, and Steuben County IN residents.

***Out district students also include International Students.
