Welcome Phi Theta Kappa Members

- *Congratulations to all members, last year was a successful year for our Alpha Delta Omega Chapter. We reached our goal of obtaining 3 stars out of the possible 5 star levels. Lets make this year even better!*

REGIONAL CONVENTION

March 16-18, 2008— Officers Chris Woodruff, Vice President, and Cora Davis, Vice President of Public Relations, along with advisors Karen Grunert and Kathy Pelikan attended this year's Michigan Regional Convention at Oakland Community college in Royal Oak. While at the convention, our Alpha Delta Omega chapter received a Milestone Award, Certificate for achieving three out of five possible star levels, along with two Horizon awards were given to the advisors in recognition of all their hard work. Also, Cora and Chris participated during roll call for the Spirit Stick and won! The Spirit Stick, allows chapters

to be creative in reporting how many members, advisors, officers, and guests were in attendance at the convention.

Not only did the chapter earn awards for the past years accomplishments, it also was recognized for students collecting nearly twenty pounds of pop tabs. This was good enough to clinch third place out of ten schools who participated. "The winning chapter had just over fifty pounds of pop tabs. We would love to come in first place next year. It would be nice if people could ask their family and friends to save for this good charitable cause," said Kathy.

All of the pop tabs were donated to the Ronald McDonald House Program.

We are now collecting pop tabs for next year's Regional Convention. So if you have any pop tabs available you can turn them into any officer or advisor. Or you may also drop them off in the PTK office. Thank you again all for all your hard work and participation!

BAND BASH BENEFIT

June 14, 2008— The first annual Band Bash Benefit was held at the St. Joe County Fairgrounds, in Centreville. The benefit was to raise money for the American Cancer Society, Animal Rescue Fund of St. Joseph County, Key Stone Place, and the Covered Bridge Restoration Fund.

Several volunteers showed up along with 8 bands. It was a great time. In addition to the bands, there were vendors, children's activities, and raffles.

However, it turned out to be not as successful as we had hoped, mainly due to low attendance at the event. If this event takes place next

year it may be slightly different.

MILES FOR MEDALS

October 4, 2008— The first annual Miles for Medals event for the Special Olympics, took place at Glen Oaks Community College. There were thirty five walkers and fourteen PTK members who volunteered their time for the event. Approximately \$1,800 was raised for the St. Joseph and Branch County Area Special Olympic athletes. The walk consisted of a mile and a half trail or a mile route. To start the event State Representative

candidate Matt Lori spoke to the crowd. Lori has participated with the Special Olympics in the past. He gave a warm welcome and encouraged everyone to look ahead, even though the event is small, it does not mean that it will not be bigger in the future. A special thanks to everyone who came out for the event, it really meant a lot to all of the athletes.
