

Your 2024–2025 Free Application for Federal Student Aid (FAFSA) has been selected by the Department of Education for a process called verification. The law says that before awarding Federal Student Aid, we need to confirm the information you and your parent(s) reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with other required documents and make corrections as needed to the Federal Student Aid Processor. You and one parent whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to our office. If you have questions about verification, contact us as soon as possible so your financial aid will not be delayed.

As a result, the parent should not include any unborn children in the family size.
