

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) has been selected by the Department of Education for a process called verification. The law says that before awarding Federal Student Aid, we need to confirm the information you reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with other required documents and make corrections as needed to the Federal Student Aid Processor. You must complete and sign this worksheet and submit this form and other required documents to our office. If you have questions about verification, contact us as soon as possible so your financial aid will not be delayed.
