

**GLEN OAKS COMMUNITY COLLEGE
SCHEDULE OF MEDICAL BENEFITS
Point of Service (POS) Plan - PRIORITY 250 PHGL1
Effective Date: January 1, 2025**

Benefit Year: The 12 month period beginning each January 1 and ending each December 31.

Preferred Benefits are provided by your primary care provider (PCP) or by a participating provider for office services. Services may require prior certification with the Benefit Administrator when prior certification is considered necessary (except in a medical emergency). Referrals by your PCP to a non-participating provider must also be prior certified by Priority Health. For a directory of Priority Health and Cigna Open Access participating providers, call the Customer Service Department at **616 956-1954 or 800 956-1954** or access the Find a Doctor tool on the Priority Health website at priorityhealth.com.

Alternate Benefits are not coordinated through your PCP, and are provided by non-participating providers. Services may require the satisfaction of deductibles, coinsurance, and are subject to reasonable and customary charges. Some benefits must be prior certified with the Benefit Administrator when prior certification is considered necessary (except in a medical emergency).

Prior Certification: Prior certification is required for all inpatient hospital or facility services. Providers must access the Priority Health provider portal to prior certify services. You do not need prior certification from the Benefit Administrator for hospital stays for a mother and her newborn of up to 48 hours following a vaginal delivery and 96 hours following a cesarean section. Other services requiring prior certification are:

- Home Health Care
- Skilled Nursing, Sub acute & Long-term Acute Facility Care
- Inpatient Rehabilitation Care
- Durable Medical Equipment over \$1,000
- Clinical Trials (all stages) for Cancer or a Life-threatening Illness/Condition
- Transplants
- Advanced Diagnostic Imaging Services
- Prosthetic Devices over \$1,000
- Certain Surgeries and Treatments

The full list of services that require prior certification is included in the SPD and may be updated from time to time. A current listing is also available by calling the Priority Health Customer Service Department at **616 956-1954 or 800 956-1954**. Other services may be prior certified by you or your provider to determine medical/clinical necessity before treatment. Prior certification is not a guarantee of coverage or a final determination of benefits under this plan.

If you are receiving intensive treatment for mental health services, including inpatient hospitalization and partial hospitalization, your provider must notify the Behavioral Health Department as soon as possible at 616 464-8500 or 800 673-8043.

Preferred benefits deductible, coinsurance and out-of-pocket amounts do not apply to Alternate Benefits deductible, coinsurance and out-of-pocket amounts, nor do Alternate Benefits deductible, coinsurance and out-of-pocket amounts apply to Preferred Benefits deductible, coinsurance and out-of-pocket amounts.

Carry-over: Deductible amounts met in the last three months of the benefit year will be applied towards the deductible amount for the next benefit year.

The following information is provided as a summary of benefits available under your plan. This summary is not intended as a substitute for your SPD. It is not a binding contract. Limitations and exclusions apply to benefits listed below. A complete listing of covered services, limitations and exclusions is contained in the SPD and any applicable amendments to the plan.

Part-Time Employee	20 hours worked per week.	
Retiree Coverage	Not applicable.	
Dependent Children	Covered to the end of the month in which they turn age 26. Over age 26 if mentally or physically incapacitated dependent.	
Motor Vehicle Injuries	This plan shall be primary to the motor vehicle insurance policy.	
Motorcycle Injuries	This plan shall be primary to the motorcycle insurance policy.	

In accordance with the terms and conditions of the SPD, you are entitled to covered services when these services are:

- A. Medically/clinically necessary; and
- B. Not excluded in the SPD.

You will be responsible for services rendered that are beyond those prior certified as medically/clinically necessary.

If the hospital confinement extends beyond the number of prior certified days, the additional days will not be covered unless:

- The extension of days is medically/clinically necessary, and
- Prior certification for the extension is obtained before exceeding the number of prior certified days.

The amount used to meet the individual deductible for each member of a family is also used in meeting the family deductible. The “coinsurance maximum” applies to certain inpatient and outpatient hospital services and non-hospital facility services.

The coinsurance maximum limits the amount of coinsurance for covered services that you or your covered dependents will pay during a benefit year, except as described below. If the individual coinsurance maximum is reached during a benefit year, the benefit percentage is 100% of covered expenses incurred by that person for the rest of the benefit year. If the family coinsurance maximum is reached during a benefit year, the benefit percentage is 100% of covered expenses for the employee and all of the employee's covered dependents for the rest of the benefit year. Amounts you pay for any of the following will not apply toward the coinsurance maximum. (Your cost sharing (copayments or coinsurance) applies to these services even after the coinsurance maximum has been reached.)

- Any flat dollar copayments, such as copayments for office visits, RX, ambulance and emergency services;
- Deductibles;
- Rehabilitative Medicine Services;
- Durable Medical Equipment (DME);
- Prosthetic and orthotic/support devices;
- Orthognathic surgery;
- Temporomandibular joint dysfunction or syndrome; and
- Family Planning/Infertility Services.

Additionally, your coinsurance maximum will not take into account:

- any monies you paid for non-covered services; and
- any monies you paid for covered services that exceed the annual day/visit or dollar benefit maximum for a specific benefit and therefore, denied as non-covered services; and
- any monies you paid to providers for alternate benefits that exceed reasonable and customary.

The “out-of-pocket limit” is the total amount of deductible (if any), coinsurance and copayments for covered services, including covered prescription drug services, that you will pay during the plan year, **except** as described below. If the individual annual out-of-pocket limit is reached during a benefit year, the plan will pay 100% of covered expenses incurred by that person for the rest of the benefit year. If the family out-of-pocket limit is reached during a benefit year, the plan will pay 100% of covered expenses for the employee and all of the employee's covered dependents for the rest of the benefit year. Amounts paid for any of the following will not apply toward the out-of-pocket limit and you will be responsible for the following expenses even after the out-of-pocket limit has been reached:

- any monies you paid to providers for alternate benefits that exceed reasonable and customary; and
- any monies you paid for non-covered services; and
- any monies you paid for covered services that exceed the annual day/visit or dollar benefit maximum for a specific benefit and therefore, denied as non-covered services.

Coverage maximums up to a certain number of days or visits per benefit year are reached by combining either Preferred or Alternate Benefits up to the limit for one or the other but not both. (Example: If the Preferred Benefit is for 60 visits and the Alternate Benefit is for 60 visits, the maximum benefit is 60 visits, not 120 visits.)
